Authorities arrested on Wednesday a suspect in a recent shooting at the Oaks Retirement Center in Elon.

At around 11:30 p.m. Sunday, police responded to a report of a shooting at the center at 1670 Westbrook Ave.

A 27-year-old Graham man was shot in the hip, but is in stable condition, according to a news release.

Police arrested Zachary Allen Tanner, 31, in connection with the shooting. They say he was in the parking lot of the retirement home picking up an employee after work when he was involved in a disagreement with the victim that escalated into gunfire.

Tanner and the victim are not employed by or are patients at the center, according to the news release.

Tanner is being charged with assault with a deadly weapon with the intent to kill, inflicting serious injury, noted police. He is being held at the Alamance County Detention Center under a \$15,000 secured bond.
